

**National Community Development Association  
Region VI- Southwest  
2022-2023 Membership Registration**

NCDA Region VI represents local governments in a five-state area (Arkansas, Louisiana, Oklahoma, New Mexico and Texas) that are striving for the necessary knowledge and skills for more effective community development. We are part of the National Community Development Association, a national non-profit, that serves as a clearing house of ideas for local government officials and federal policy-makers on issues effecting America's communities.
